We're on the Web!

www.cws.au.com

We are Carroll's Woodcraft Supplies, run by Jim Carroll and Irene Brook, Our main business hours are Monday- Friday 10am-5pm and Saturday 10am-1pm. We are closed Sundays, Public Holidays. If in doubt give us a call so as not to be disappointed.

We are a one stop shop for Wood turners, Wood carvers, Pyrographers, Scroll sawing and general woodworkers. If we do not have it in stock we can get it for you.

We had a great time at the Down Under Turnaround with over 120 people there and 64 lathes and donations for charity over \$3000.00, a great weekend was had by all. This was followed up by visiting the Sunbury Woodies who had Terry Scott from New Zealand give an interesting Demo to find out what terry does have a look at his web site <http://www.timberly.co.nz>

We are just about to leave for the Adelaide Working with wood show which is in conjunction with the Home show so should be a little different for all of us.

The biggest show of the year is next with the Melbourne Working With Wood Show at the new venue The **Melbourne Show Grounds**. We have been told there is better parking and the venue is larger so we are all looking forward to a new start for the show. Please tell all your friends about the **showgrounds** as we are finding even now that people do not know of the change.

We have a couple of new pens for those wanting to do something a bit different to the normal slimlines, also a dill chuck for holding the very small drill bits used for scroll sawing. We also stock the Veezy picture framing kits as a lot of you want to make your own frames for photos and other projects that need that personal touch.
